## E - Newsletter

30TH APRIL 2022

EDITION 003

## APRIL MONTH ACTIVITIES

### FROM PRINCIPAL'S DESK

I am delighted to witness the release of the first edition of this academic year 2022-2023. What started as a quarterly newsletter has now grown into a full fledged monthly periodical, capturing achievements, activities and contributions from the entire school community. As we all know, schools have started working full time on premise for the first time in 2 years now, following easing of government restrictions due to pandemic. Sindh Model School of Excellence, which has remained committed to ensuring quality of education and interaction throughout the constraints of the pandemic, has also opened in full fledged manner, and I am sure we will touch greater heights in the coming year. I feel immense pleasure in having our IX std students, first batch of Seconday Education in the CBSE stream. Wishing the editorial team, along with our students, faculty, parents and all our stakeholders all the very best!

B. Sujatha  
Principal

### SCHOOL RE OPENING

It was one of our favourite seasons of the year. School Re opening! Students enjoyed their first day of academic sessions with lots of fun. Wishing all the students lots of learning and enjoyment.

### SCHOOL ASSEMBLY

First Assembly of the Academic year 2022 - 2023 was held on 11.04.22. Principal welcomed our little bundles with joy and teachers presented a Teacher's Assembly to mark the occasion.

# MATH EXPO

**MATH EXPO**  
**13th APRIL 22**

**The only way to learn Mathematics is to do Mathematics.**

**" There is geometry in the humming of Strings;  
there is music in the spacing of Spheres "**  
**- Pythagoras**

Mathematics is Incredibly supreme and one of the most challenging subjects in our life without even realizing it. The power of reasoning, creativity, abstract or spatial thinking, critical thinking, problem - solving ability and even effective communication skills are spin offs of Mathematics. Classes I to IX excelled well in the Expo. It was indeed a triumphant and memorable moment for Sindhi Model School Of Excellence, CBSE, Thiruverkadu. The School is immensely proud of creating new budding Mathematicians and wishes them the very best in all their future endeavours.

The event was inaugurated by Shri.Rajalal Nichani, Secretary of our School and Chairman of Sindhi Educational Society (Madras) at 11.30am. It was open to parents view, which was much appreciated.

# CLASSROOM ACTIVITY

Here is how we can continue the learning an enjoyment from the math expo. Work out the following puzzles using your colouring and relating skills to fill the crossword.

## BE A LITTLE PICASSO

Name: \_\_\_\_\_

Directions: Color by the code. Pick your own skin tones.

10=Light Blue  
 9=Yellow  
 8=Red  
 7= Dark Blue  
 6=Green  
 5=Brown  
 4=Orange

## LET'S THINK

### Math Crosswords

Name: \_\_\_\_\_ Date: \_\_\_\_\_

10	+		=	15				
			-					
			7	+		=	17	
			=				-	
16	-	8	=				4	
			+				=	
			=					
			20	-	6	=		
				+				
				11				
				=				

# Teacher Development Program

Workshops on Spoken English by Ms. Cinthiya. S, English Dept., and CBSE Evaluation Pattern, by Principal were held in the school on 29/04/2022 for all the teachers. Principal stressed on the necessity for teachers constantly update themselves technically and functionally.

Family - Small moments in time creating memories that last a lifetime. Family is Important. We are like a tree - though we might grow in different directions, our roots remain one. We all need a break from monotony yet need our routines. So, we work intentionally on juggling both. We at SMSE thought we can contribute a tad to the monotony.

April 27th was no ordinary Wednesday ! How well do you know me? Once this question was raised, the children of classes I & II poured in, sharing their experiences with family with positive vibes and energy.

## Classes - I & II FAMILY DAY CELEBRATION

**EDITORIAL TEAM :**

**Mrs. Shalini. A**

**Mrs. Uma Maheswari. N**
