## RHYMES & STORY TELLING COMPETITION

Rhymes and stories enjoy an undisputed importance in the life of a kindergarten. It was a well known fact that when a child sees something. It is embedded in his/ her mind for a longer time than when they just listens to it. Rhymes not only develops speaking skills but also helps express their feelings through facial expression and gestures.

This was displayed beautifully by the students of Nursery classes. The children made all the characters of each rhyme and story come alive. They enthralled their teachers and friends with their articulation and memory skills while reciting rhymes and stories. It was an excellent opportunity for them to gain confidence through stage exposure. Everyone was amazed and spell bound after seeing their pleasing performances. Principal Mrs. Sujatha distributed prizes to tiny tots. She appreciated and applauded their performance.

## COMMUNITY HELPERS

Learning about community helpers helps children to understand being a part of the community, which leads to a feeling of belonging. It helps to foster a sense of teamwork within a child's world. It's also important from a safety perspective activity was conducted by pre - primary section in which kids were dressed up as, Firefighter, Milkman, Tailor, Teacher, Green Grocer, Policeman, Soldier, Doctor etc. They enacted their roles with realistic props along with appropriate words. This activity helped the children to have respect for all profession.
