## **PARENTS TO SOLICIT**

1. Education is a joint responsibility. The parents and teachers have to co-ordinate their efforts in order to groom children to build up their behaviour and maintain discipline. Parent's involvement is an important component for student achievement.

We are looking forward to a productive partnership with you to ensure our children achieve their highest potential.

2. Parents/ Guardians will kindly look into the pupil's Handbook every day and ensure that the lessons prescribed and the homework assigned are promptly done. The remarks made in the Handbook should be seen and signature affixed in the acknowledgement sheet. They will also ensure that the pupils make special efforts to study the subjects in which they are weak. Pupils should be encouraged to cultivate habits of neatness, self-help and systematic work.
3. Parents will kindly **note that private tuition is not allowed by the School Authorities**. But if under extraordinary circumstances a need for it is felt, it should be arranged only with the approval of the School Authorities in the best interest of the child.

8. Drivers of Private Transport are not allowed to enter the school premises during school hours. However, parents/ guardians/ drivers belonging to classes Pre-KG to UKG can enter the premises as per scheduled timings, to pick up the students. We request parents to be very cautious and co-operative in this regard for the safety of the child.
