RED DAY CELEBRATION

The Kindergarten Department celebrated Red Day on 10th April 2026 with great excitement and enthusiasm. The celebration was organized to help children recognize and appreciate the colour red through fun-filled activities.Students of Pre-KG, LKG, and UKG came dressed in beautiful red outfits, creating a vibrant and cheerful atmosphere. The children also brought red-coloured snacks and enjoyed sharing them with their friends.Various engaging activities were conducted, including thumb printing, vegetable printing, and colouring. These hands-on activities helped the children develop their creativity and fine motor skills while reinforcing their understanding of the colour red.The celebration was a joyful learning experience that made the children more aware of colours and encouraged active participation.

SUMMER DAY CELEBRATION

The Kindergarten Department celebrated Summer Day on 17th April 2026 with great joy and enthusiasm. The event was organized to help children understand the importance of staying healthy and hydrated during the summer season.The students participated actively by making colourful sun headbands and enjoying a variety of seasonal fruits. They learned about the nutritional benefits of fruits and the importance of including them in their daily diet, especially during summer.A special highlight of the celebration was the preparation of refreshing muskmelon juice. The children eagerly took part in making and tasting the juice, making the activity both fun and educational. The freshly prepared juice was also shared with other students, teachers spreading the spirit of the celebration.
